Certificate of Arena Management

Certificate of Arena Management (CAM) courses prepare ice arena managers to face the broad array of challenges you'll encounter throughout your career. Upon completion of the CAM course you will have the skills to create a loyal workforce, manage time, increase productivity and profits, enhance customer service, minimize risk, effectively market your arena and maximize business

Syllabus
Online Course - $295 (member) / $495 (non-member)
Online Exam - $25

Certificate of Arena Operations

Certificate of Arena Operations (CAO) courses help arena managers, assistant managers and skating and hockey directors develop the expertise to manage the many on- and off-ice activities that take place in an ice arena. From planning, scheduling, promoting and organizing to actually delivering the program, CAO graduates are well-equipped to handle all the tasks required to keep the ice arena busy and profitable.

Syllabus
Online Course - $295 (member) / $495 (non-member)
Online Exam - $25

Certificate of Arena Programming

Certificate of Arena Programming (CAP) courses help arena managers, assistant managers and skating and hockey directors develop the expertise to manage the many on- and off-ice activities that take place in an ice arena. From planning, scheduling, promoting and organizing to actually delivering the program, CAP graduates are well-equipped to handle all the tasks required to keep the ice arena busy and profitable.

Syllabus
Online Course - $295 (member) / $495 (non-member)
Online Exam - $25

Certificate of Arena Executive

Certified Arena Executive (CAE) program offers executive-level training in ice arena management as well as courses to promote personal and individual growth throughout your career. The CAE program is the industry's only educational forum designed to equip tomorrow's ice arena executives to prosper in an ever-changing, highly competitive industry. Becoming a Certified Arena Executive puts you on the path to industry leadership and gives you the opportunity to enhance your career through knowledge and professional recognition.
