ISI *weSKATE* Membership Rewards Program

The ISI Membership Rewards Program is an easy and convenient way to boost your facility's bottom line while providing your skaters with their own valuable ISI membership benefits. Not taking advantage of this program is like throwing away cash!

2014-2015 term results below:

The ISI Membership Rewards program is gaining momentum among administrative and professional members. In the current membership term, over $60,000 in rewards have been earned. More than 170 ISI administrative members have earned rewards in the current membership term, In addition, over 100 professional members have received rewards for referring new ISI professional members. See the program details and the reward recipients, and make sure YOU sign up if you haven't already!

Wholesale Membership Rate

Register your skaters as ISI Individual or Hockey members using the retail membership rate, submit your registrations to the ISI office and you will be billed the wholesale rate, providing an immediate reward to your facility.

Threshold Rewards

Administrative members that increase their number of registered skaters by targeted percentages of at least 25 percent receive additional rewards.
