

Directory Online

Welcome to the Ice Skating Institute's Directory Online! Access ISI's list of Administrative, Builder/Supplier and Professional members, available to all users at the click of a button.

The purpose of the ISI Directory Online is to provide a resource guide of ISI Administrative Members (arenas/clubs/skating schools), Professional Members (instructors, hockey coaches, referees, and skating directors), Related Service Members (including industry builders and suppliers), and Retail Merchant Members. This Directory is now available on the web for quick and easy browsing.

If you are an ISI member, please [register](#) to receive comprehensive information on ISI members.
