[Online Exam - \\$25](#)

Certificate of Arena Operations

Certificate of Arena Operations (CAO) courses help arena managers, assistant managers and skating and hockey directors develop the expertise to manage the many on- and off-ice activities that take place in an ice arena. From planning, scheduling, promoting and organizing to actually delivering the program, CAO graduates are well-equipped to handle all the tasks required to keep the ice arena busy and profitable.

Certificate of Arena Executive

Certified Arena Executive (CAE) program offers executive-level training in ice arena management as well as courses to promote personal and individual growth throughout your career. The CAE program is the industry's only educational forum designed to equip tomorrow's ice arena executives to prosper in an ever-changing, highly competitive industry. Becoming a Certified Arena Executive puts you on the path to industry leadership and gives you the opportunity to enhance your career through knowledge and professional recognition.
