

Joint Statement of Cooperation

(June 29, 2004)

U.S. Figure Skating, the Professional Skaters Association (PSA) and the Ice Skating Institute (ISI) recognize and support each other's role in the development of figure and recreational skating in the United States.

U.S. Figure Skating is the national governing body for the sport of figure skating in the United States and is so recognized by the International Skating Union (ISU) and the United States Olympic Committee (USOC).

The Professional Skaters Association is the organization of teaching and performing skating professionals, which provides and promotes the education and certification of figure skating coaches. U.S. Figure Skating recognizes the PSA as the official coaches' education, certification and training program.

The Ice Skating Institute is the organization of ice rink owners, operators, instructors, participants, builders and suppliers which supports the development and operation of ice rinks and provides and promotes recreational ice skating programs in the United States.

Each organization agrees to cooperate with the others to further the growth and success of the ice skating industry, nurture the figure and recreational skating communities and promote and encourage the fulfillment of the responsibilities of each organization.

U.S. Figure Skating further agrees that the participation of U.S. Figure Skating members in ISI-endorsed recreational skating activities, such as recitals, shows and exhibitions, or tests and competitions, is hereby permitted without violating the rules of U.S. Figure Skating, provided that such activities (1) are conducted by ISI Member rinks, clubs or skating schools in their normal course of business; (2) are not conducted by or for the benefit of a third party that exceeds the spirit of this Statement of Cooperation; (3) do not include the participation of U.S. Figure Skating member skaters who are or have been active U.S. Championship competitors at or above the Novice level within the past two years unless participation has been permitted as described below; and (4) are not intended for television or internet broadcast or re-broadcast.

The paragraph above represents a grant of special permission from U.S. Figure Skating, in the spirit of cooperation with the ISI, to allow its members to participate in ISI-endorsed recreational skating activities without the need for a separate U.S. Figure Skating sanction. However, ISI-endorsed activities exceeding the scope of this paragraph are not covered in this grant of special permission; therefore, U.S. Figure Skating members participating in such activities shall be in violation of the rules and policies of U.S. Figure Skating unless U.S. Figure Skating approval by way of sanction, ESCA (Eligible Skater Compensation Agreement) or special permission is obtained.

The ISI further agrees that the participation of skaters registered with the ISI in activities sponsored by U.S. Figure Skating shall not be deemed to be a violation of the rules of the ISI.

U.S. Figure Skating, PSA and the ISI acknowledge the developing relationship between the three associations working together for the growth and betterment of ice skating now and in the future.
