### What is ISI?

The Ice Skating Institute is an international trade association encompassing all aspects of the ice skating industry. ISI was founded in 1959 as an organization for owners, operators and developers of ice skating facilities. The mission and goals of ISI are to promote ice skating as a participant sport and recreation and to provide information for the development, construction and operation of ice skating facilities. The Ice Skating Institute is dedicated to providing leadership, education and services to the ice skating industry. Our membership consists of over 600 administrative members, 3,500 associate members, 50,000 individual members, 10,000 hockey players, and 150 builder/supplier/retail members.
