

weSKATE™ National Instructor Training Program

For dates and times please see the [District Seminar](#) page.

The *weSKATE* National Instructor Training Program is designed to educate and train instructors in the techniques, standards, and professional requirements of teaching the *weSKATE* program. *weSKATE* is the country's leading learn-to-skate program.

Training Levels

Choose the training program that is best suited for you or your employees based on individual needs. You can take the training levels in ANY order!

Training Levels:

Core (Tots – Delta)

Intermediate (FS1 – FS5)

Advanced (FS6 – FS10)

Benefits for Skating Directors and Arena Managers:

Screen prospective coaches before you hire them. A *weSKATE* certification means you'll instantly know what skills they possess.

Educate your current staff and increase their contribution to your facility's success.

Reduce the time YOU have to spend training staff.

Make classes profitable and successful.

Transform your staff into more than just employees—they become an integral part of your business' success.

Benefits for Coaches

Advance your career

Differentiate yourself from your peers

Increase your earning potential

Gain respect and credibility

Qualify to teach all ISI levels

Create winning resume

Expand your job opportunities

Become more valuable to your facility

Learn new and innovative ways of teaching skills

Become a more knowledgeable coach

Take advantage of the *weSKATE* National Instructor Training Program.
