

Entry Forms

BEFORE YOU REGISTER:

For the ISI Winter Classic event, we are allowing skaters to enter more than one Solo Spotlight event category (i.e. Character / Light Entertainment / Dramatic) and more than one Rhythmic Skating event category (i.e. Ball / Hoop / Ribbon). The skater must have a different programs to enter a different category for the same event.

We will also offer Themed Solo Spotlight, Themed Couples Spotlight and Themed Production events. These events can be entered in addition to the regular event categories.

Be sure to verify your event entries and correct test level(s) with your coach before submitting your form(s). There is a \$25 change fee (per change / per skater) for wrong information submitted on the forms. Please read all the forms carefully and fill them out completely before faxing with your credit card information or sending by mail to the ISI office in Dallas.

If you have not renewed your ISI Individual Membership, you must include your \$15 membership renewal with your event entry fees. Make sure your coach and rink registers all of your tests with the ISI office before Dec. 1.

EVENT ENTRY FORMS:

You can download entry forms below:
