**The event schedule will be posted in mid-June. You will not find your students' schedules on EntryEeze.**

An email has been sent to all skaters individually so that they will know what events we have them entered into and to let them know about any test or membership issues that need to be addressed. The events listed were only single or partnered events as we are still entering teams at this time. You can find the competitors [Events Entered here](#). If you see that there are any corrections needed, please e-mail [khansen@skateisi.org](mailto:khansen@skateisi.org) by June 5th. *After June 6th all changes will be charged a \$25 change fee, so please check all events carefully.*

**You will NOT see Team events listed until the schedule comes out. Team events include Family Spotlight, Ensemble, Production, Pattern, Kaleidoskate, Synchro, Team Surprise and Team Compulsory.**

If there are any membership/test issues listed for your skaters that have already been submitted, please contact [Sandey@skateisi.org](mailto:Sandey@skateisi.org) to see if they have been received. There is no need to re-submit these items until after you check with Sandey.

**Please note:** All information about the event including the Event Schedule, Practice Ice, ISI Benefit Show, Competitor's Party, Skater Clinics, etc. will be posted here on the ISI website. *Do not look for this information on EntryEeze.*

**Event Schedule:** The event schedule will be posted in mid-June. Online schedule updates are usually done at the end of each week. Be sure to check back regularly for any changes.

**Practice Ice Info:** After the event schedule is posted, the practice ice information will be available. Practice ice details and reservations will be handled directly by the host facility. Please do not contact ISI for practice ice reservations.

Keep your eyes open and check here on the World's webpage for updates and additional information as we get closer to the event.
